

### Technical specifications

#### Ref. 8800102-B

The new retractable pen with Clip is manufactured with a special compound capable to be detected by X-Ray detector, metal detectors and visual inspection.

It's specially designed and manufactured for alimentary industry, pharmaceutical, chemical factories and other industries that use detection waste systems as well as pollution-sensitive product industries.

| <i>Tech. Spec.</i>   |                  |
|--|------------------|
| Reference  | 8800102-B        |
| Material   | Polypropylene    |
| Material specifications  | Metal Detectable |
| Units for box  | 25Uni.           |
| Color  | Blue             |
| Height   | 15.8mm           |
| Lengh  | 140.1mm          |
| Width  | 10mm             |
| Weight   | 10.62 Gr         |
| Minimum operating temperature.   | -20 °C           |
| Maximum operating temperature.   | 60 °C            |
| Flammability Grade   | UL 94 HB         |
| Mine's ISO   | 12757-2 A2       |
| Housing and mechanism raw material comply with the European regulation (EU) no.10/2011                   | yes              |
| Housing and mechanism raw material comply with the Code of Federal Regulations, Title 21 Chapter I (FDA) | yes              |

This information is based on information supplied by the Polypropylene and mine manufacturers.
