The Metal Bodied Pencil

This stainless steel bodied pencil features a push / click retractable pencil mechanism and comes with a clip. It's strong and sturdy stainless steel based construction minimises the risk of any pen parts becoming detached, making this pencil suitable for use in the food industry.

Product Advantages:

- ✓ Detectable by in-line metal detection systems & x-ray inspection systems
- ✓ Push /click action retractable mechanism
- ✓ Metal clip
- ✓ Strong & durable stainless steel based metal material
