Product Specifications

| January 2020

Product Prefix: 8900360-B

Product Colour: Blue

Pack Size: 1

Pack Weight: 0.0200kg

Product Description

The Utility Guard® glove clip not only feature a patented safety breakaway that prevents the user from being pulled off balance but they also feature a belt clip instead of a small clamp to attach to the user. To use, simply slip the belt clip over your belt, waistband or pocket and attach you gloves, towel or earmuff's to the large clamp.

Product Advantages:

- ✓ Detectable by in-line metal detection systems
- ✓ Bright blue colour for easy visual identification
- ✓ Food grade material suitable for food contact applications
- ✓ Can be used as part of HACCP and BRC procedures
- ✓ Displays due diligence in the prevention of foreign body contamination

Metal Detectability

The material of these glove guards are intended to be detected by metal detection systems. Detectability performance will vary based on, but not limited to the following factors:

- Detector Calibration Levels
- Aperture Dimensions
- Food Product Type (E.g. Wet, Dry, Frozen, Liquid)
- Contaminant Orientation

For this reason Niebling recommend that all our products be thoroughly tested on your metal detection systems by a trained and certified professional. It may be the case that your equipment needs to be recalibrated in order to reliably detect this product and its fragments. Such a professional should be available by contacting the manufacturer of your metal detection system.
