Product Specification Sheet

7" Stainless Steel Kitchen Scissors | 8900550

7" Stainless Steel Kitchen Scissors

These 7" ergonomically designed multi-purpose catering scissors feature nickel silver electroplated handles and stainless steel blades. With their robust construction, these scissors are ideal for heavy use in the catering industry.

The blades are made from 13/0 stainless steel which is a 'martensitic' type of steel, it is hardened by heat treatment during the manufacturing process. This makes it ideally suited for the production of knife and scissor blades.

7" Stainless Steel Kitchen Scissors Advantages

- ✓ Detectable by in-line metal detection systems & x-ray inspection systems
- ✓ Robust construction ideal for heavy use
- ✓ Corrosion resistant
- ✓ Can be used in a variety of food processing applications
- ✓ Can be used as part of HACCP and BRC procedures
- ✓ Displays due diligence in the prevention of foreign body contamination

Pack Size:	1
Weight:	0.20 kg
Blade Length:	7 Inch
Material:	Stainless Steel
Detectability:	Metal & X-Ray Visible
Commodity Code:	82130000

Safety Certificates / Approvals

BRC Compliant
ISO 9001:2015

Metal Detectability

Niebling recommend that all our products be thoroughly tested on your metal detection system / x-ray inspection system by a trained and certified professional. Your equipment may need to be re-calibrated in order to reliably detect this product. Such a professional should be available by contacting the manufacturer of your metal detection system.

The information provided in this product specification sheet is based on our experience and knowledge to date and we believe it to be true and reliable. This information is intended as a guide for your use of our products, the use of which is entirely at your own discretion and risk. We, Niebling Technische Bürsten GmbH, cannot guarantee favourable results and assume no liability in connection with the use of our products.
