

### DECLARATION OF CONFORMITY

We hereby declare that the following product:

COLOR CLEAN: Anti-scratch sponge

Article no.: 8595150-(color)

Is according to the following Community legislation:

- Regulation 1935/2004 / EC
- Regulation 1895/2005 / EC
- Regulation 10/2011 / EU
- Regulation 2023/2006/EC

and to the following American legislation:

- U.S. Food and Drug Administration 21CFR177.1680
- U.S. Food and Drug Administration 21CFR177.170

The aforementioned material is manufactured with:

Flexible polyurethane foam

Adhesive (not in contact with food: intermediate layer) identified as Difenylmethane-4,4-diisocyanate Polyester fibers

Suitability test:

The material complies with the specific migration limits of 4,4'-diphenylmethane diisocyanate under the following conditions:

Simulant: Isottano

Time and Temperature: 10 days at 40 ° C

and the specific migration limits of octadecyl-3 (3,5-ditertbutyl-4-hydroxyphenyl) propionate and 2,5-bis (5-tert-butyl-2-benzoxazolyl) thiophene under the following conditions:

Simulant: Tenax

Time and Temperature: 10 days at 40 ° C

It also respects the limits of content of phthalates, of metals according to EN 71/3 and of amines derived from azo dyes. Respect the formaldehyde limits in aqueous extract.

The material was also subjected to screening analysis of semi-volatile and volatile substances (SPME) in GC-MS and did not highlight the presence of potentially dangerous substances beyond those sought as specific migration.

This declaration is valid from the date shown below and will be replaced if substantial changes occur in the production of the material capable of changing certain essential requirements for compliance purposes or when the legislative references cited in this declaration will be amended and updated in a manner to request a new verification for compliance purposes.
